WHAT IT MEANS SELLING MY HOME WITH MARK DAVID DURING COVID-19 OUTBREAK

Despite the sales and lettings offices being temporarily closed, the team here at Mark David Estate Agents are still busy working from home and would like to let our vendors, buyers, landlords and tenants know that we are still contactable via e-mail and telephone.

Since the government's lockdown, we have still managed to list new properties, exchange and complete on sales and have tenants move into their new homes.

Buyers and tenants are still looking at properties and we are still getting enquiries on a daily basis. We are keeping the market going as best and as safely as we can.

Our clients have been filming their properties allowing us to post virtual tours on our website, Rightmove, Zoopla, Facebook, LinkedIn, Twitter and Instagram. Some of them have edited and created their own videos, others who are feeling less 'techie' have e-mailed their videos to us and we have been editing these on their behalf. If you would like to film a virtual

tour of your property to go online, please send your video(s) to: vikkie@mark-david.co.uk via We Transfer (if your video(s) is too big to send via an e-mail). We Transfer is free and simple to use, visit wettransfer.com

If you have any questions, please do not hesitate to contact us. We look forward to hearing from you.

Stay safe,

Mark, Sue, Jo, Vikkie & Kirsty
